

FEDERAL AND STATE ENDANGERED SPECIES ACT STATUS FOR CALIFORNIA ANADROMOUS FISH AS OF September 6, 2005.

SPECIES: ESU or DPS (ESA) or Population segment (CESA)	STATUS	EFFECTIVE DATE OF LISTING or ACTION	CRITICAL HABITAT DESIGNATED?	ESA SECTION 9 TAKE PROHIBITIONS APPLY?
COHO SALMON				
ESA - Southern Oregon/Northern Calif. Coasts	threatened	6/5/97; redesignated 8/29/05	Yes	Yes (4d Rule publ. 6/28/05)
ESA - Central California Coast	endangered	Listed as threatened 12/2/1996; reclassified as endangered 8/29/05	Yes	Yes - 8/29/05
CESA - South of Punta Gorda, California ¹	endangered	3/30/05	na	na
CESA B from Punta Gorda, California to the Northern Border of California	threatened	3/30/05	na	na
CHINOOK SALMON				
ESA - Sacramento River Winter-Run	endangered	Emergency listed as threatened Aug 1989; final listed as threatened Nov 1990; reclassified as endangered Feb 3, 1994; redesignated 8/29/05	Yes	Yes (2/3/94)
ESA - Central Valley Spring-Run	threatened	11/15/99; redesignated 8/29/05	Yes (eff. 1/2/06)	Yes -4d Rule publ. 6/28/05)
ESA - Central Valley Fall and Late Fall-Run	candidate	9/16/99	na	no
ESA - Southern Oregon and Northern California Coastal	not warranted	9/16/99	na	no
ESA - California Coastal	threatened	11/15/99; redesignated 8/29/05	Yes (eff. 1/2/06)	Yes (4d Rule publ. 6/28/05)
ESA - Upper Klamath - Trinity Rivers	not warranted	3/9/98	na	no
CESA - Winter Run	endangered	9/22/89	na	na
CESA - Sacramento River Drainage Spring-Run	threatened	2/5/99	na	na
STEELHEAD				
ESA - Southern California	endangered	10/17/97	Yes (eff. 1/2/06)	Yes (10/17/97)
ESA - South-Central California Coast	threatened	10/17/97	Yes (eff. 1/2/06)	Yes (4d Rule publ. 6/28/05)
ESA - Central California Coast	threatened	10/17/97	Yes (eff. 1/2/06)	Yes (4d Rule publ. 6/28/05)
ESA - Central Valley, California	threatened	5/18/98	Yes (eff. 1/2/06)	Yes (4d Rule publ. 6/28/05)
ESA - Northern California	threatened	8/7/00	Yes (eff. 1/2/06)	Yes (4d Rule publ. 6/28/05)
ESA - Klamath Mountains Province	not warranted	3/28/01	na	no
COASTAL CUTTHROAT TROUT				
ESA - Southern Oregon/California Coasts	not warranted	4/5/99	na	no
GREEN STURGEON ²				
ESA - Northern	candidate	1/29/03	na	no
ESA - Southern	candidate	1/29/03	na	no

¹ Includes Coho South of San Francisco Bay previously listed as endangered on 12/31/95

² NMFS published a 12- Month Finding on 1/29/03 that listing was not warranted for both green sturgeon Distinct Population Segments.
On April 6, 2005, NMFS revised their previous finding on the Southern DPS and are now proposing to list it as threatened.

Attached is an update of federal and state endangered species act status for California anadromous fish as of 9/06/2005. Please discard previous versions.

This update reflects NOAA Fisheries final designation of critical habitat, as published in the Federal Register on 9/2/05, for seven California ESUs,: California Coastal Chinook salmon; Central Valley spring run Chinook salmon; Northern California *O. mykiss*; Central California Coast *O. mykiss*; South-Central California Coast *O. mykiss*; Southern California *O. mykiss*; and Central Valley *O. mykiss*. The critical habitat designations will become effective January 2, 2006.
